

SoBoCo High School and Middle School Band Cookie Dough Fundraiser Q&A

When does the fundraiser begin and end?

The fundraiser began on Wednesday, September 16, when the students were given their sales packets, and will end on Monday, September 25, when students are expected to turn in all their money and orders.

Is the money supposed to be collected from the customer at the time the student takes the order?

YES! This is a change from some past years. The checks or cash must be collected at the time the student takes the order. Checks should be made out to SoBoCo Band Boosters.

When will we get the cookie dough?

The cookie dough will be available for pickup at Southern Boone High School on October 22 (3:30 pm - 6:00 pm) and October 23 (times to be announced). If this is going to be a problem for you, contact Mr. Marjamaa at 657-2144.

Does the cookie dough need to be refrigerated?

Yes. The cookie dough can spoil, and must be refrigerated. It can be frozen up to 6 months and will keep in the refrigerator up to 2 months.

What if I can't deliver the cookie dough as soon as I receive it?

It is important to deliver the cookie dough to your customers as soon as possible, but if there will be a short delay, the cookie dough must be refrigerated, preferably frozen.

Why do the students have a brochure about magazine sales?

In the past, students have asked for an alternative product for when customers say they cannot eat cookies for health reasons. So, we have magazines that can be sold, as well as cookies. Anyone can purchase the magazine subscriptions—for either \$12, \$20 or \$30.

What is the deal about a website and sales on the internet?

The company that makes the cookie dough also has a website at www.gafundraising.com. Hundreds of gift items, from jewelry, notecards, calendars, wrapping paper, etc., are offered on this website, and the student can get credit for sales of any of these items, if friends or family members decide to buy something. It is explained very clearly on the website how the student can be given credit (and SoBoCo Band receives 40% of the item cost) if student's friends or family make a purchase. Our school's ID number on the website is 633776.

NOTE: Parents should be involved if students decide to register on the website. Even though customers purchase and pay directly, and the purchased items are shipped directly to the customer—so the student is not involved in the purchase in any way—parents should always monitor their child's internet activities. The company does not share customer or student information with any other company.

All Cookie Varieties Come in 3 lb. Tubs. The price of one tub is \$15.00

A Tub of Cookie Dough keeps 6 Months in Freezer and 2 Months in Refrigerator.

All cookies are trans fat free.
